1. The following is an examiner's statement of reasons for allowance: the drawing changes which occur in the amended drawings filed on 17 February 2005 are covered by the supplemental reissue declaration filed on 22 December 2004 since the changes were first submitted in drawings on 22 December 2004 along with the reissue declaration. That is, the subject matter of the amended drawings of 17 February 2005 is the same as the subject matter in the drawings submitted on 22 December 2005. The only difference in the drawings is one of formality, i.e. the labeling of the amended Figures 1-3 as being "amended" to satisfy 37 CFR 1.173(b).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
